By submitting the sample(s) for testing along with this form, the submitter acknowledges and agrees:

- The submitter is the owner of the sample(s), or is a duly authorized agent of the owner.
- To the full and final release of any claim to the sample(s) provided for the purpose of the requested testing and to the disposal of any remaining sample(s) by Agri-Food Assurance (AFA) following testing. Sample(s) submitted to AFA will not be returned.
- To consent to further use of any remaining sample(s) by AFA for the purpose of internal quality control material.
- That the submitter has and will make no further claim in relation to the sample(s), testing, analysis, residue or ultimate disposal.
- That AFA may provide the sample(s) to a third party laboratory to assist in the complete testing requested by the submitter.
- To consent that derivative materials (isolates, DNA etc.) from the samples can be used for investigative and research purposes. AFA is free to use the derivative materials in any manner they see fit, including sharing with third parties, without further obligation or notice to the submitter.
- AFA may share test results as required under relevant legislation regarding reportable or notifiable diseases or for the purpose of surveillance of food safety, animal and public health in Alberta.

The personal information collected on this form is for laboratory administration to conduct the requested testing. This collection is authorized by section 4 of the *Protection of Privacy Act*. Your name and contact information will not be used or disclosed for any other purpose than stated without your specific written consent, or unless required to do so by law. In the event testing is required at a third party laboratory, your personal information will be anonymized. If you have questions about the collection, use or disclosure of your personal information, please contact the Director of AFA at 780-422-4830 or by email at af.agrifoodlab@gov.ab.ca.
